1. Welcome

Thank you for choosing Hippie Camper for your vehicle rental requirements. We are very proud of our product and our reputation. We have built our business on providing the best possible experience for our customers. Your safety and security are our greatest concerns, so to assist in your holiday being a wonderful experience, it is important for you to carefully read and understand the following information.

2. Agreement

This is an Agreement between You ('You' includes any additional renters identified in **Rental Vehicle Agreement Part A**) on the one part and Hippie Camper on the other part, to rent the Vehicle identified in **Rental Vehicle Agreement Part A** including all its accessories, tools, tyres and equipment as well as any replacement vehicle. This Agreement (including any addendum or memorandum) shall be read and construed in its entirety and shall constitute the entire agreement between Hippie Camper and You and shall supersede all other provisions, terms, warranties or conditions contained in any other agreement, brochure, advertising material or representation. This Agreement shall be governed in accordance with the laws of the State of Queensland in the Commonwealth of Australia. Any actions, claims, demands or suits arising out of or in respect of this Agreement must be brought in the courts in Brisbane, Queensland.

3. Refusal of Rental

Hippie Camper reserves the right to refuse any rental, or continuation of any rental, at its absolute discretion.

4. Vehicle Condition and Return

- You acknowledge the Vehicle was delivered to You by Hippie Camper in good operating condition and with the seal of the odometer unbroken. You agree to return the Vehicle in the same condition (except for ordinary wear and tear) together with all tools, tyres, accessories and equipment to the location specified in **Rental Vehicle Agreement Part A** ('the Nominated Location') on the date there specified or sooner, if demanded by Hippie Camper.
- You acknowledge that the Vehicle is the sole property of Hippie Camper and that at the time of receipt of the Vehicle by You it was in good running condition and fit for the purpose for which it was required and You ascertained this on your own inspection of the Vehicle and not as a result of any statement or representation made by Hippie Camper, its employees or agents.
- You acknowledge that the only existing damage to the Vehicle at the commencement of this Agreement is that detailed on the **Vehicle Condition Report**. It is essential that all existing damage is noted on the **Vehicle Condition Report**. Any damage which has not been noted on the **Vehicle Condition Report** will constitute damage which has occurred subsequent to the commencement of this Agreement and You shall be charged for that damage.
- Hippie Camper in its absolute discretion may take possession of the Vehicle without prior demand to You and at your expense, if there has been a breach of any term of this Agreement or if the Vehicle is illegally parked, used in violation of the law or is apparently abandoned. In such circumstances Hippie Camper, its employees or agents may enter on any property where the Vehicle is situated and You will indemnify Hippie Camper, its employees and agents from claims by any person resulting from such entry and retaking of the Vehicle.
- If the seal of the odometer is broken or otherwise tampered with, You will be responsible for not only an extra charge based on 500 kilometres per day at 50c per kilometre, but also for any costs of repairing or replacing the odometer. Additionally, the person/s responsible will be reported to the police.
- If You fail to return the Vehicle to the Nominated Location or return the Vehicle to a different location to the Nominated Location, You will be charged for all costs associated with transporting or towing the Vehicle to the Nominated Location unless otherwise agreed by Hippie Camper in writing.
- If You return the Vehicle to the Nominated Location and it is not open for business at the time You return the Vehicle, the Vehicle will be deemed to have been returned at the time when that Nominated Location next opens for business and the rental shall continue until that time and the renter is deemed fully responsible for the hired vehicle, unless other arrangements have been agreed to in writing by Hippie Camper.

Note: Hippie Camper must be notified and it must agree to any extension of the rental period beyond that specified in **Rental Vehicle Agreement Part A** prior to the return date for the Vehicle otherwise the Vehicle will be immediately reported to the police as stolen.

Note: If You have paid by use of a credit card, or directed Hippie Camper to bill the charges to some other person, corporation, firm or organisation who or which fails to make payment when due, You will immediately pay the full amount due to Hippie Camper on demand.

You irrevocably agree and authorise Hippie Camper to use the credit card/s provided for payment of any amount due under this Vehicle Rental Agreement even if a signed credit card voucher has been returned.

7. Cancellation Fees

Campervans/Cars:-

As there is no refund for late pick up or early return of any vehicle, Hippie Camper strongly recommends that you take out your own Personal Travel Insurance.

8. Change of Vehicle

Should the vehicle booked be unavailable through unforeseen circumstances, Hippie Camper reserves the right to substitute an alternative vehicle without prior notification and at no extra cost. This shall not constitute a breach of contract and does not entitle the renter to a refund.

9. Voluntary Downgrade

Should the renter decide to take a lesser vehicle than booked they will not be entitled to a refund.

10. Errors in Rental Charges

Total charges set out in this Agreement are not final. You agree to pay any shortfall in charges to Hippie Camper.

11. Exchange Rate/Currency Fluctuations

You acknowledge that all transactions under this Agreement are conducted in Australian Dollars. Due to exchange rate fluctuations, there could be some variance between the amount initially debited against your credit card and the amount refunded at the expiration of the Rental Period. You irrevocably agree to release Hippie Camper from any liability for such variation. Depending on Your Financial Institution, refunds may take up to 15 working days to be transferred into Your account.

12. Conditional Upon Payment

When applicable, You agree that this Agreement is conditional upon Hippie Camper being paid by the Travel Agent or Travel Wholesaler who arranged this Agreement on your behalf. You agree that You will pay to Hippie Camper, upon demand, any shortfall based on the standard gross rental rate for the rental period.

13. Travel Restrictions

(a) Cars:-

- can only be driven on sealed/bitumen roads or well maintained access roads less than 500 metres long to recognised campgrounds.
 - can be driven to any island, (excluding Tasmania) as long as written permission is obtained from Apollo prior to travel. These areas are considered as remote areas and conditions apply - see clause (e) below.
 - cannot be driven to Tasmania.

- (d) If You travel to any area not permitted by Hippie Camper under this Agreement You not only do so at your own risk but You acknowledge that You have breached this Agreement.
- (e) Remote Area conditions apply to ALL Hippie vehicles which means in the event of an accident or breakdown in a remote area or in an area not permitted by this Agreement it will be your full financial liability to pay any salvage, towing and/or recovery costs to the nearest Hippie Camper branch. No replacement vehicle will be provided under any circumstances.
- (f) If the Vehicle is taken into an area not permitted by this Agreement or is driven on sand dunes or comes into contact with salt water, You will be fined \$2000 by Hippie Camper if this breach of the Agreement is discovered by Hippie Camper, even if no damage has occurred to the vehicle. This fee will be added to any other fee or charge irrespective of which Reduction Option You may have elected to take under this Agreement.
- (g) The Vehicle must not be totally or partially submerged in any water or come into contact with salt water. If this occurs You will not be entitled to **Damage Waiver Cover** and You waive all refundable monies and agree to pay for any and all damage and recovery costs in respect of the Vehicle

14. Every 500 kilometres

The oil, fluids and coolant levels must be checked by You every 500-kilometres. You must add water/coolant to the cooling system and an appropriate SAE rated oil for petrol or diesel powered vehicles (as applicable) to the engine if the indicator level is below minimum. You agree to maintain the Vehicle in these conditions and acknowledge that any mechanical damage occasioned as a result of your failure to maintain the Vehicle described by this clause will be paid by You.

15. Mechanical Breakdowns

Any mechanical problems associated with the Vehicle must be reported to Hippie Camper Fleet Maintenance as soon as possible in order to give Hippie Camper the opportunity to rectify the problem during the rental period. Equipment failure must also be reported to Hippie Camper. If Hippie Camper is either not contacted or You do not allow Hippie Camper the opportunity to rectify the problem during the rental period You agree that the problem is of such a minor nature that You make no claim for loss of time in respect of the rental period. You also agree that Hippie Camper is not responsible for any claims made by You after the return of the Vehicle.

Note: You agree to be charged a fee of \$100 where it is established that Roadside Assistance could have been avoided in cases such as keys being locked in the vehicle, flat batteries caused by lights having been left on and other such similar occurrences.

16. Repairs

Any repair up to \$100 needs no authorisation from Hippie Camper and all that is necessary for full reimbursement to You from Hippie Camper is a proper receipt for the amount of the repairs. If the repair is more than \$100 then You must notify Hippie Camper and obtain Hippie Camper's consent before the repairs are carried out.

If the Vehicle cannot be driven as a result of a breakdown, Hippie Camper will only reimburse You for the time that the Vehicle was not available for use. Subject to availability, Hippie Camper will provide a replacement vehicle. However, any cost incurred in you travelling to a Hippie Camper depot is your responsibility. The failure of accessories such as air-conditioners, awnings, stove and grill, water pump, refrigerators and radios/cassettes/CD Players are not considered a breakdown and no amount will be paid by Hippie Camper to You. Hippie Camper is not responsible for any accommodation charges, meals, change of itinerary or out of pocket expenses resulting from a breakdown of the Vehicle or as a result of any accident.

Note: It can often be difficult to carry out repairs during weekends and holiday periods and/or in remote areas due to limited opening times and/or spare parts.

17. Tyres/Windcreens

Authorisation must be obtained before tyres or windcreens can be replaced. You are responsible for replacing damaged tyres (for example, but not limited to, blowouts, punctures, sidewall damage, tyre staking etc) unless caused by normal wear. Maintain pressures as per the Vehicle instruction manual. Only purchase new steel radial tyres of the same size and ply rating as is on the Vehicle. If You purchase tyres of a different size or ply Hippie Camper will give no refund. You are responsible for replacing damaged windcreens. The Liability of the respective Reduction Option will still apply.

18. Accidents

- (1) record the Time/Date/Location
- (2) record the other parties full names, addresses, vehicle registrations, car types as well as any property damage in circumstances where the accident did not involve another motor vehicle.
- (3) record the name of their insurance company
- (4) not admit liability
- (5) notify the nearest police station within 24 hours of the accident.
- (6) fully complete and sign the Accident Report Form (which is in the glove box of the Vehicle)
- (7) notify Hippie Camper within 24 hours of the accident and fax through an accident report form.

In the event of an accident, the towing and retrieval of the Vehicle to the closest Hippie Camper depot is at your expense up to the amount of your **Liability** unless the terms of this Agreement are breached in which event it will be your total responsibility. In the event of an accident there is no refund for monies paid for the unused portion of the rental period. An administration fee of \$75 per accident file will apply (to cover the costs of processing).

19. General Provisions

- (a) Within 24 hours of an accident or loss involving the Vehicle You must notify Hippie Camper.
- (b) Immediately upon receipt, You must provide Hippie Camper with every summons, complaint or paper in relation to any accident or loss involving the Vehicle. Compliance with this sub-paragraph does not excuse You from reporting any accident or loss of the Vehicle to police.
- (c) You irrevocably release and hold harmless Hippie Camper, its employees and agents, from all claims for loss or damage to your personal property, or that of any other persons' property left in the Vehicle, or which is received, handled or stored by Hippie Camper at any time before, during or after the rental period, whether due to Hippie Camper's negligence or otherwise.
- (d) Except as provided by law, You or passengers in the Vehicle shall not be deemed to be the agent, servant or employee of Hippie Camper in any manner for any purpose whatsoever.
- (e) Hippie Camper gives no express warranty in relation to the Vehicle. Certain conditions and warranties are implied by statute, whether Commonwealth or State, which cannot be excluded, restricted or modified, such as those under the Trade Practices Act 1974. Where Hippie Camper is permitted to limit its liability under those statutes for breach of any implied condition or warranty, Hippie Camper limits its liability to replacement, repair or re-supply of the Vehicle. All warranties, conditions and other obligations which may otherwise be implied are expressly excluded by this Agreement in their entirety. Hippie Camper is not liable to You or any other person for any indirect, special, incidental or consequential damages relating to this Agreement. In the event of no alternative vehicle being available to the renter our liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by the renter) the remainder of the hire period. In the event of an accident no refund will be given for the remaining unused rental days.
- (f) No right of Hippie Camper under this Agreement can be waived except by writing of an authorised officer of Hippie Camper.
- (g) A goods and services tax (GST) or any similar tax, stamp duty or any other tax, a merchants fee, duty surcharge, levy or fee ('charges') may be imposed by local, state or federal government pursuant to this Agreement and collected by Hippie Camper. In that situation, Hippie Camper may in addition to the rental charge, recover from You an additional amount on account of the charges. Any additional amount on account of the charges shall be calculated without any deduction or set-off of any other amount and is payable to Hippie Camper upon demand.
- (h) You agree not to part with possession, dispose of, encumber or assign any right or interest in the Vehicle and not create any lien on the Vehicle for repairs.
- (i) You acknowledge that Hippie Camper has not in any way represented itself to You as an entity carrying on the business of insurance. In the circumstances set out in Clauses 28 and 30, You will receive the benefit of Hippie Camper's insurance cover with its insurer.
- (j) You acknowledge that Hippie requires any information that appears on your driver's licence as well as telephone contact numbers and email addresses to formalise this Agreement. In doing so you also acknowledge that Hippie will take reasonable care to protect this information, however in the event of its misuse you will not hold Hippie or its servants liable for any resulting loss or losses.

20. Illustration Disclaimer

Hippie Camper's brochures, web sites and other advertising material contain only representations of our Vehicles. Pictures, illustrations, descriptions and measurements of the vehicles may be different to the actual Vehicle offered to You due to modifications and/or upgrades. Hippie Camper is not liable for any such variance.

21. Fuel

The Vehicle must be returned with the amount of fuel equal to that at the time of the commencement of the rental. If the Vehicle is returned with less fuel, the difference will be charged to You at a rate of \$5.00 per litre (which includes a service component).

22. Cleaning

The vehicle must be returned in a reasonable state of cleanliness or You may be charged a cleaning fee up to \$500. All vehicles must be completely free of mud. Smoking is not permitted in any of our vehicles or a cleaning & deodorising process will be necessary at a fee of up to \$300.

23. Returns

When open, Hippie Camper's depot hours are 0800am to 1630pm (local time). The Vehicle must be returned at the Nominated Time and at the Nominated Location. If you wish to change the Nominated Drop Off Location or the Nominated Drop-off Date after the rental has commenced, You first must obtain permission from the Hippie Camper Head Office. Subject to the change of drop off location being approved, an additional minimum charge of \$500 will apply. If the Vehicle is returned at a different location without permission, the cost of transferring the Vehicle to the Nominated Location will be charged to you, plus a minimum fee of \$500. You will be responsible for the rental of the Vehicle until the Vehicle is recovered and transferred to the Nominated Location. You will also be responsible for any demurrage in respect of the Vehicle. If You return the Vehicle late without permission, You will be charged for the late return at a rate equivalent to double the daily standard gross rental charge, including Reduction Option charge. Early return of the Vehicle does not entitle You to a refund.

Hippie Camper recommends that you take out your own Personal Travel Insurance.

24. Rental Extensions

Should You wish to extend the rental whilst on hire, you must first obtain authorisation from Hippie Camper Reservations. This is subject to availability. The extra cost of an extended rental must be paid by credit card over the telephone or at a Hippie Camper Branch immediately on confirmation of the rental extension. The additional days will be at the Gross Rate available at the time of the extension. Failure to obtain authorisation will result in You being charged double the daily gross rental rate.

25. Cyclones/Flooding and Weather Conditions

Hippie Camper does not accept any responsibility for road closures caused by cyclones, flash floods and other acts of God. Whilst every effort is made to accommodate delays and non vehicle returns to contractual locations any costs over and above the minimum \$500 fee, such as Relocation and Re-scheduling fees will be passed on to the hirer. Hippie Camper again strongly recommends that you take out your own Personal Travel Insurance.

26. Kilometre Allowance

The Kilometre Allowance Per Day and Charge Per Excess Kilometre Fee is indicated on **Rental Vehicle Agreement Part A**. The applicable Excess Kilometre Fee is payable by You to Hippie Camper on return of the vehicle.

27. Satellite Safety Beacon

If You are supplied with a Satellite Safety Beacon it should only be activated in life threatening emergency situations to alert the rescue authorities. Deliberate misuse may incur a severe penalty. Any costs incurred due to the activation of a unit is a matter between You and the search and rescue authorities and shall not involve Hippie Camper.

28. Damage Waiver Cover

If You act within the terms of this Agreement You will receive the benefit of Hippie Camper's insurance with its insurer in respect of damage to the Vehicle or third party damage other than any property owned by You (or any friend, relative, associate or passenger) or in your physical or legal control. This however is subject to:

- (a) your payment of the minimum damage or loss of use charge set out in **Rental Vehicle Agreement Part A**.
- (b) You not having caused any other person to have acted in a manner which is in contravention of this Agreement.
- (c) You not being covered under any policy of insurance.
- (d) You providing such information and assistance as may be requested and, if necessary, authorise Hippie Camper's insurer to bring, defend or settle legal proceedings, but Hippie Camper shall have sole conduct of the proceedings.

29. Personal Injury

The Vehicle has third party insurance cover. It is likely that any other vehicle involved in the accident also has third party insurance cover. Depending on the circumstances of the accident, You may be entitled to claim for your personal injury against the third party insurance of the party which is responsible for the accident. The extent of such third party insurance varies in different States and Territories and Hippie Camper strongly recommends that You take out your own Personal Injury Travel Insurance.

If You are responsible for the accident the Vehicle's third party insurance should cover You for your liability except where You have committed a breach of the Vehicle's third party insurance eg drink driving.

30. Property Damage

The Vehicle is insured for damage to it or damage to the property of a third party. However You are responsible up to the amount of the applicable **Liability** for the cost of such damage to third party property, or to the rented Vehicle. You are also responsible for the cost of demurrage for the period the Vehicle is unavailable due to repairs. The **Liability** applies in respect of each claim, not per rental. A second bond will be required if continuing with the rental.

The **Liability** is applicable regardless of who is at fault and must be paid at the time the accident/incident is reported to Hippie Camper, not at the completion of the rental period.

Note: Personal belongings damaged, stolen or lost are Your responsibility. Hippie Camper recommends that You do not leave items of value in the vehicle and that You take out Your own Personal Travel Insurance.
